An act to add ~~Section 78261.5 to~~ and repeal Section 78261.5 of the Education Code, relating to public postsecondary education.

### LEGISLATIVE COUNSEL'S DIGEST

AB 1559, as amended, Berryhill. Public postsecondary education: ~~associate degree nursing~~ *community college registered* programs.

**(1) Existing**

*Existing* law establishes the California Community Colleges under the administration of the Board of Governors of the California Community Colleges. Existing law establishes community college districts throughout the state, under the administration of community college district governing boards, and authorizes these districts to provide instruction at the community college campuses they operate.

This bill would require a community college ~~district registered nursing~~ *program* that ~~uses~~ *elects to use* a multicriteria screening ~~measures~~.

*process on or after January 1, 2008, to evaluate applicants for admission to nursing programs to include specified criteria relating to the academic performance, work or volunteer experience, foreign language skills, and life experiences, and special circumstances of the applicant. The bill would authorize a community college registered nursing program using a multicriteria screening process to use an approved diagnostic assessment tool before, during, or after the multicriteria screening process.* The bill would require a district that uses multicriteria screening measures to report its nursing program admissions policies to the chancellor *annually*, in writing. ~~Because the bill would impose new duties on community college districts, it would constitute a state-mandated local program.~~

~~(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.~~

*The bill would repeal these provisions on January 1, 2016.*

*The bill would require the Legislative Analyst's Office to evaluate the use and efficacy of the admissions process for community college registered nursing programs, and to report its findings and any related recommendations to the Legislature as part of its annual analysis of the Budget Bill, commencing with its analysis of the Budget Bill for the 2009–10 fiscal year.*

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: ~~yes~~-no.
